RESPONSE TO OFFICE ACTION OF AUGUST 22, 2005

Sir:

The undersigned thanks the Examiner for indicating that the present application is in condition for allowance.

The Office Action of 08/22/2005 indicates that the original patent must now be submitted. However, it is respectfully noted that a recent retroactive change in 37 CFR

1.178 eliminates the requirement of submitting the original patent. (See 1287 Official Gazette Patent Office 67; see also Official Gazette Notice dated 12 October 2004).

Enclosed are relevant pages from a presentation on the rule change from the website of the U.S. Patent and Trademark Office. It is noted that this new rule change, which is retroactive and applies to this case, is not reflected in the most current version of the MPEP that is available on www.uspto.gov.

In view of the rule change, a Notice of Allowance is respectfully requested without submission of the original Letters Patent.

Respectfully submitted,

FULWIDER PATTON LEE & UTECHT, LLP
